EFC LIMITED SECURES DESIGN AND BUILD CONTRACT WITH TATA CONSULTANCY SERVICES (TCS)

Pune, 26 August, 2024 – EFC Limited is excited to announce that it has been awarded a significant Design and Build contract with Tata Consultancy Services (TCS). This new contract builds on our successful track record with TCS, reflecting their continued confidence in our capabilities.

EFC previously delivered a high-impact project for TCS, which has led to this new opportunity. The latest contract encompasses a comprehensive range of design and build services, further solidifying our relationship with one of the world’s leading IT services companies.

The scope of the contract includes Design and Build of Fit out works, MEP Services, Testing and Commissioning, showcasing EFC’s expertise in managing large-scale projects with precision and excellence. Our successful engagement with TCS reaffirms our position as a top-tier provider of integrated design and construction solutions.

Mr. Umesh Sahay, Managing Director of EFC (I) Limited, commented, “We are honored to have secured this contract with Tata Consultancy Services, especially after the successful completion of our previous project with them. This repeat engagement underscores the trust and satisfaction TCS has in our team’s ability to deliver exceptional results. We are committed to leveraging our expertise to exceed expectations once again.”

This repeat business highlights EFC Limited’s reputation for excellence and reinforces our position as a trusted partner in the design and build sector. We are dedicated to continuing our tradition of delivering outstanding projects that meet the highest standards of quality and innovation.
